3- General organization of the training: project status

4- The content of the training and its contexts:

Preaching (Da'wah) and Media are branches of the foundations of religion (Usul -alddin). The content of the master's degree modules revolves around Da'wah, its origins, history, and programs, as well as clarifying the nature of media, journalistic writing methods, and everything related to Islamic media as content and an inherent mechanism of Da'wah.

5- Training objectives:

This training aims to simplify the initial concepts and approaches of the specialty: Da'wah and media, its principles, communication theories, and editing techniques.

- Familiarize with the most important media and their characteristics.
- Discover what Islamic media is and the accompanying terminology.
- Familiarity with religious media sources in other programs.
- Learn the art of rhetoric.

6- Targeted competencies of the training:

The Master's degree in Da'wah provides students with elements of knowledge and understanding of its programs and media methods, as well as forming a comprehensive view of media, its techniques, and theories.

7- Local, regional, and national employability capabilities:

Graduates with a Master's degree in this specialty can:

- Continue their academic journey with a Ph.D.
- Enter the job market through public employment competitions.
- Work in the field of religious affairs.
- Work in the media industry.
- Work in the private sector.
